

AURORA

# Get To Know Your Aurora University Study Abroad Partner Destinations

A Webinar Series for students and staff  
2021–2022 Academic Year

Online (Zoom)

2<sup>nd</sup> – 5<sup>th</sup> November

**How well do you know our Aurora neighbours?**

We may not have had the opportunity to visit all ten of the other universities, nor indeed those countries, but in the five years since Aurora began, how well do we really know our Aurora partners? We're all research intensive with an international outlook, collectively supporting our students to become global entrepreneurs. But could you list the home country of each partner? Its academic strengths? Its research collaborations?

The Borderless Learning: Recognition and Mobility Group is hosting a week-long series of webinars from **November 2<sup>nd</sup> to 5<sup>th</sup>** aiming to answer questions from the very basic level – why would a student choose to study there – from its campus and location, to its courses, to its inclusive community. Each Aurora university will take just 60 minutes, all following a similar structure and format, to showcase itself to other Aurora universities.

Whether you're a student, an administrative adviser or coordinator of placements, or an academic looking to strengthen your European partnerships... tune in (or watch the recordings) to find out more... you could just turn out to be learning about your next destination.

Co-funded by the  
Erasmus+ Programme  
of the European Union

# How well do you know our Aurora neighbours?

Are you on a study abroad pathway? Interested in studying a short course abroad? Keen to experience living and learning in another part of Europe? Or helping to advise those that are? Join as many of these eleven webinars as you like! All will be live streamed and recorded for follow-up access. Click the links in the table to access the sessions.

## November 2<sup>nd</sup>

---

**12:00–13:00 CET**

Universitat Rovira i Virgili (URV), Tarragona, Spain
