

EXCELLENT SCIENCE IN HORIZON EUROPE - THE MARIE SKŁODOWSKA-CURIE POSTDOCTORAL FELLOWSHIPS

Information event on possibilities at the University of Duisburg-Essen
12.07.- 15.07.2021

Germany and the UDE offer plenty of opportunities to broaden one's horizons and to do excellent research. Are you interested?

Join our information event and receive hands-on advice on how to write a successful MSCA fellowship application and get to know the existing support structures at UDE!

What to expect:

Monday: 12.07.21, 10:00 - 11:30 a.m.

- Presentation of facilities and services at the UDE, which are helpful during the application process but also after a successful project application (Science Support Centre, Graduate Centre Plus, International Office).

Tuesday: 13.07.21, 10:00 - 11:30 a.m.

- Information on the Marie Skłodowska-Curie Postdoctoral Fellowships by a speaker of the EU Cooperation Office of the German Science Organisations (KoWi)

Thursday: 15.07.21, 10:00 - 12:00 (limited number of participants!)

- Field report of a successful applicant and exercises for successful proposal writing by a speaker of KoWi

In order to enable an individual and most fitting consultation, the exercises on Proposal Writing on 15.07.21 are only available to a limited number of participants. Early feedback on your participation is therefore recommended. The other parts of the event are open to all interested parties.

Please register via the following link:
